Email template:

Dear [MP name],

I'm writing as your constituent to ask if you will attend the **Mummy's Star Parliamentary drop-in on 17 March** about their new *Save Our Bond* campaign.

In the UK, around **two people every day are diagnosed with cancer during or shortly after pregnancy**, and many are forced to spend their maternity leave undergoing treatment rather than bonding with their newborn.

Ireland introduced legislation in 2024 allowing mums with cancer to defer maternity leave until treatment is complete. I hope you will attend the drop-in to learn more about how the UK could provide similar protections.

Drop-in event details
