

# your A4 banner download

This banner is designed to be printed easily at home using a standard inkjet (or similar) printer.

**It's a fun, low-cost way to decorate your fundraising event with Mummy's Star merch without needing to pay for an expensive banner.**

Simply...

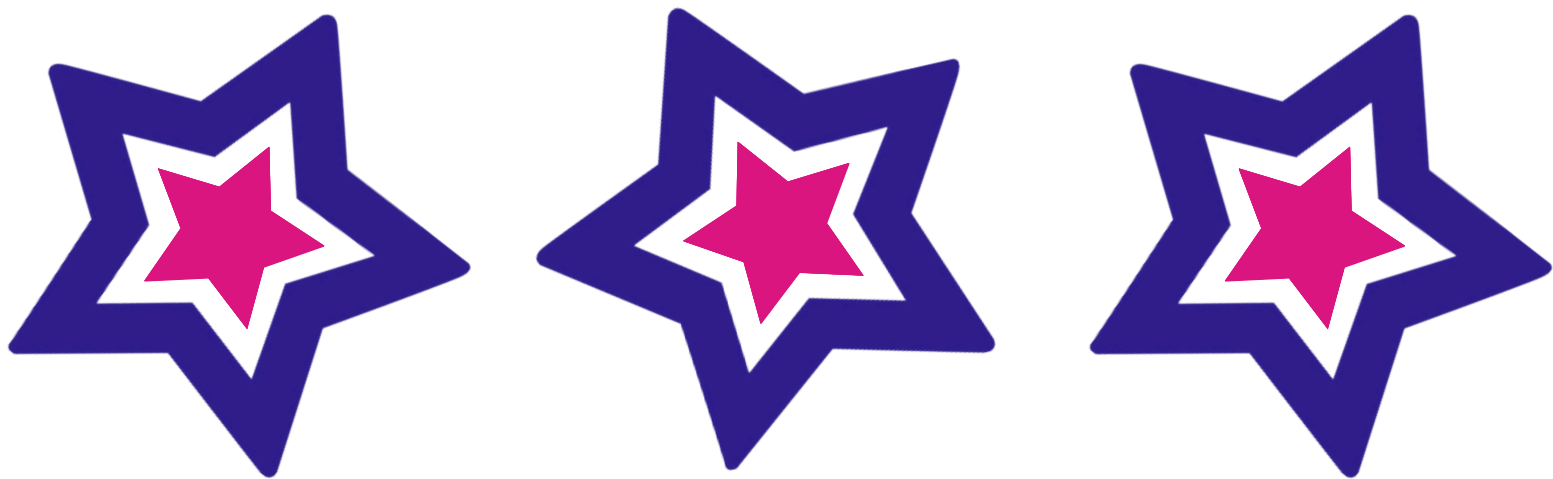

- **print all the pages in this document** in A4 portrait (we have a landscape version on our website)
- **stick the pages together in the order they print** (we suggest putting tape on the back so it isn't visible)
- **hang in your preferred spot** using tape, tac, string etc. (being mindful of the wall and only use materials that won't damage it.)
